MESSAGE FROM THE HEAD OF SCHOOL

Dear Student:

Welcome to the 2024-2025 academic year of Christian education at Pungo Christian Academy. The entire PCA staff and I welcome you to the PCA experience. Our major concern for the school year is that it will be the most meaningful and beneficial one you have ever experienced.

PCA has always been concerned with the development of the total student. Academic programs, as well as programs in athletics, student activities, and spiritual emphasis combine to provide you a rich learning environment.

Please read this handbook carefully and use it as a reference to understand the goal and policies of PCA. It is prepared with your well-being in mind. PCA is a community, and we can only exist as one when we all work together to establish priorities and to accept responsibilities as members of our community.

I wish for each of you a successful year. I look forward to the new year as we work together academically and share experiences in athletics, social activities, and spiritual growth.

Marcy Shavender Sasnett
Head of School

INTRODUCTION

The purpose of the Pungo Christian Academy Handbook is to provide the student with a comprehensive outline of the school's operation and its policies. This handbook is to be a guide in understanding Academy standards.

Please read this handbook carefully and keep it as a handy reference throughout the year. The faculty, staff and patrons will use the policies set forth in this handbook as a consistent guide in determining, enforcing, and understanding our standards.

This handbook should be used when an explanation of procedures is needed for enforcing policies in the Student Code of Conduct and in explaining to all interested persons the goal of members of the Pungo Christian Academy family for an inspiring adventure in education.

It is impossible for this handbook to cover all issues that may arise. In those cases, the Head of School and/or Board of Directors will make decisions as needed.

STATEMENT OF PHILOSOPHY

It is the philosophy of Pungo Christian Academy that each student should receive a comprehensive preparation for life. Enrollment in Pungo Christian Academy is open to all children without discrimination as to race, color, creed or national origin.

Pungo Christian Academy provides an education which inspires the pursuit of knowledge and which develops in each student an understanding of him/herself and the world. The school promotes an atmosphere in which students learn both to value and to seek excellence in intellectual, emotional, physical, and spiritual achievement. It also provides the best possible opportunities for encouraging capacity performance from each student.

OBJECTIVES OF PUNGO CHRISTIAN ACADEMY

The principal objectives of Pungo Christian Academy shall be to:

1. Provide opportunities for developing knowledge and creative approaches as the foundation for continuing intellectual achievement.
2. Provide learning experiences which will prepare students for successful entrance to and achievement in college.
3. Provide guidance and opportunities for every student to continue his/her education or gain employment appropriate to his/her talents and needs.
4. Provide experiences in self-guided learning through independent study and research.
5. Provide for the development of the individual as a community member who accepts the responsibilities of citizenship and contributes positively to his/her community.
6. Provide effectively for the physical and emotional health of the individual student.
7. Provide opportunities for the spiritual growth of the individual student.
8. Provide opportunities for the physical development of the individual student.
9. Provide learning opportunities which focus on the learner as a person and his/her abilities.

STATEMENT OF BIBLICAL MORALITY

Pungo Christian Academy stands firmly upon the historical truth claims and moral foundations of Christianity. This includes, but is not limited to, the biblical definition of marriage, the attendant boundaries of sexuality and moral conduct, and the clear biblical teaching that biological sex is both sacred and established by God's design.

Parents and legal guardians, who choose to enroll their children at PCA are agreeing to support these and other basic biblical values derived from historical Christianity. Parents understand and agree that Pungo Christian Academy will teach these principles and biblical values.

PCA's Board of Directors urges parents to recognize their scriptural responsibility to provide their children with a Christian education and to understand that the primary responsibility for this task rests with the parents (Deuteronomy 6:1-9, Psalms 78:5, 6, Proverbs 22:6, Ephesians 6:4). Pungo Christian Academy operates upon biblical values and the desire and commitment for Bible-believing Christian parents to enroll their children in an intentionally Christian environment.

Pungo Christian Academy will accept students who are willing to support the school's Confession of Faith, above-state positions, and student conduct requirements, and whose parents are willing to allow their children to be educated and influenced in an intentionally Christian environment. Continued enrollment at PCA is contingent upon this same understanding and support by both the student and parents.

Pungo Christian Academy is a religious institution providing an education in a distinctly Christian environment, believing its biblical role is to work in conjunction with the home to mold students to be Christ-like. On occasions in which the atmosphere or conduct within a particular home or the activities of the student are counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue enrollment of a current student. This includes, but is not necessarily limited to, living in, practicing, condoning, or supporting sexual immorality, including but not limited to, sex outside of marriage, homosexual acts, bisexual acts, gender identity different than biological sex, promoting such practices, or otherwise the inability to support the moral principles of the school (Leviticus, 20:13a, Romans 1:27, Matthew 19:4-6).

PUNGO CHRISTIAN ACADEMY CODE OF CONDUCT

The reputation of Pungo Christian Academy is influenced by the behavior of each individual student, parent, and teacher. Each person associated with the school bears a responsibility to act in a manner which will increase our school pride. Guidelines for good citizenship are presented here to remind us that all responsible behavior comes from self-control and mature thinking.

CARE OF THE SCHOOL

Good school citizenship requires that each student, parent & teacher do everything possible to make our school a clean and pleasant place in which to learn. Our school pride is reflected strongly in the way in which we care for our buildings and grounds. This upkeep is everyone's responsibility.

The care of our school is a necessary part of our teaching and learning so we can all live, work, and learn in a pleasant physical environment. Disruptive or careless behavior will not be tolerated anywhere on campus. It is our school policy that if school equipment is damaged or broken intentionally or by neglect, the persons responsible are expected to pay for the damage or repair. Intentional damage to the campus will be billed to the individual, the department, or class responsible. Serious instances of vandalism may result in suspension or expulsion.

If a club or class of Pungo Christian Academy wishes to use the facilities for a dance or money raising event, the club or organization will request (in writing) permission to use the facility. The request will include the name of the club or organization, the name of the sponsor (teacher), the date of the event, and the parents who will be present during the event. *Request must be made in written form at least two weeks prior to event.* All events sponsored by any club will conclude by 11:00 P.M. All such events will require security provided by the Belhaven Police Department or the Beaufort County Sheriff's Department as well as parental chaperones. Guests attending special events at the school, such as the prom or other school sponsored dance, must be under the age of 21 and in good standing in the community,

STUDENT CONDUCT

STUDENT CONDUCT:

The Board of Directors of Pungo Christian Academy has a responsibility to ensure the right and privilege of an excellent education for each student who is enrolled at Pungo Christian Academy. It is the expectation that each student will act responsibly as a citizen of this school community, conduct himself/herself in an appropriate manner at all times, and respect the rights and privileges of all other members of this school community. Each student will respect the teachers and school staff and abide by the policies, rules, and regulations of Pungo Christian Academy.

In summary, students at Pungo Christian Academy are expected to:

- Be courteous and always show impeccable manners,
- Support high academic standards,
- Maintain a positive learning environment in each classroom,
- Demonstrate good character, including showing respect for teachers and other students,
- Respect school property and property of others,
- Protect the safety of other individuals at the school, and
- Have religious morals

A student who chooses to disregard policies, rules, and regulations of Pungo Christian Academy will be subject to penalties, suspension, or termination. **Each staff member is responsible to maintain an ordered and productive learning environment in the classroom, on campus, and at any school function.**

Misbehavior is categorized as three levels. (See chart)

- Level 1 misbehaviors are disruptive to the learning processes of the school. The penalties associated with them range from warnings to detentions. Parents will be involved in resolving situations.
- Level 2 misbehaviors are characterized by harm to self, to teachers, or other students and therefore carry harsher penalties. In addition, multiple, severe, and/or extended infractions of Level 1 misbehaviors could also result in a Level 2 classification.
- Level 3 involves situations with drugs and weapons and will result in both severe penalties and notification of law enforcement officials.
- Level 1 and Level 2 misbehaviors will start again with each new year. Level 3 misbehaviors will be in the student's file throughout middle and high school,

PROCEDURES:

1. INITIAL RESPONSE:

Initially, most Level 1 misbehaviors will be handled by the classroom teacher. The teacher is responsible to communicate classroom procedures to all students at the beginning of the school year and to consistently reinforce correct classroom behavior and promptly provide penalties when needed. A copy of printed rules to be signed by student and parent are strongly recommended. Initial responses to misbehavior include conferencing with student, explaining the rule, warning, moving seats, lunch or after school detention, and/or contacting parents. Teachers should complete the discipline form and give it to the Head of School. If these corrective measures do not resolve the situation, the teacher should conference with the student to explain consequences of additional misbehavior since they will be considered as insubordination and the teacher should begin a documentation record. For any additional misbehavior, the teacher should complete a DISCIPLINARY REFERRAL FORM, attach the necessary documentation, and give it to the Head of School. If the Head of School gets a DISCIPLINARY REFERRAL without the documentation record attached, she will contact the teacher and request the documentation of previous problems and parental contacts on that student.

The Head of School will counsel with the student to ensure he/she understands an accumulation of DISCIPLINARY REFERRAL FORMS will result in ISS or OSS or termination from Pungo Christian Academy.

Students whose misconduct is defined as Level 2 or 3 can be immediately referred to the Head of School. The discipline form should include sufficient information of the misconduct.

2. REFERRAL TO HEAD OF SCHOOL:

The Head of School will maintain a file on each student that receives a DISCIPLINARY REFERRAL FORM. He/She will schedule a conference with the student to explain the consequences of additional misbehavior and to assign additional penalties which could include loss of privileges (including sports events), additional detentions, and/or work detail. The Head of School will also inform the parent of consequences of further misconduct. Continued misbehavior will be viewed as insubordination since the school and classroom rules have been explicitly explained and the student has had multiple opportunities to understand proper classroom decorum. A parent will sign the discipline form. **Forms should then be returned to the Head of School within 24 hours. The consequences for not returning discipline form in 24 hours will be loss of lunch privileges until the form is returned. If not returned in 3 days, the student will have 2 hours of after school detention.**

If at any time, it is determined that the behavior of the student is extensive or severe, normal procedures can be accelerated. Actions will be documented, and parents will be kept informed.

Three strike rule in the classroom: Three warnings in classroom- send discipline form and student to the office.

- 1st trip to the office- warning, discipline form
- 2nd trip to the office- parent conference, loss of activities, discipline form
- 3rd trip to the office- sent home for the day, parent conference, discipline form
- 4th trip to the office- sent home for 2 days, parent conference, discipline form
- 5th trip to the office- sent home for 3 days, parent conference, discipline form
- 6th trip to the office- Board review to determine need for long term suspension or expulsion

3. REFERRALS TO HEAD OF SCHOOL:

The Head of School will review the discipline record of the student and conference with the parent and student. Possible penalties may include long-term suspension, withdrawal from class/school, or termination from Pungo Christian Academy.

HONOR VIOLATIONS

CHEATING:

Academic dishonesty or academic misconduct is defined to be any action or practice on the part of a student that involves getting credit for work that is not one's own or interferes with another student's ability to complete his/her work. This definition applies to Kindergarten through grade 12. Teachers are responsible to educate students with the various aspects of academic dishonesty and to assign penalties that are appropriate for the action and the grade level of the child. It is therefore expected that stronger penalties will be assigned to middle and high school students in an effort to prevent academic dishonesty on a college level.

The effect of cheating is deleterious to an education system but also has extended ramifications in the workplace and the personal behavior of the child in later years when he has not developed a strong sense of right and wrong.

Punishments for academic dishonesty vary according to the age of the party involved and the nature of the infraction and should be determined by the teacher and the Head of School. Teachers should maintain documentation.

At a minimum, if a middle or high school student is caught giving or receiving any unauthorized assistance on homework, quizzes or tests, that student will receive a zero on that work and will be reported to the Head of School for assignment of four (4) hours of After School Detention. Students will also not be exempt from Spring semester exams. Students in grades 9-12 will not be allowed to serve as Marshals or be recognized as honor

students. In addition, parents will be notified on the occurrence of a first offense. On occurrence of a second offense, student will receive three (3) days In-school suspension, four (4) hours of Detention and CANNOT be a member of the school's honor society, the student council, be a class officer, or participate in athletics for that year. If a third offense occurs, the student will be subject to expulsion.

PLAGIARISM:

Plagiarism is the act of taking credit for another's work. Direct copying from a book, encyclopedia, computer sources or any other source or rephrasing ideas without acknowledging the source constitutes plagiarism. This action is a form of lying and stealing. Plagiarism detracts from the academic process which Pungo Christian Academy fosters. Any student caught plagiarizing can expect a zero on that work, parents will be notified, and he/she will be reported to the Head of School and will receive four (4) hours of After School Detention. Students will also not be exempt from Spring semester exams. Students in grades 9-12 will not be allowed to serve as Marshal or be recognized as honor students. In addition, parents will be notified on the occurrence of an offense. On occurrence of the second offense, student will receive a zero on all work, a minimum of three (3) days In-School Suspension, four (4) hours of Detention, and CANNOT be a member of the school's honor society, the student council, be a class officer, or participate in athletics for that year. If a third offense occurs, the student will be subject to expulsion.

HOMEWORK WRITE-UPS

Students will receive a disciplinary form for every three missing or incomplete homework assignments per class per six weeks. Students receiving three or more disciplinary forms for missing or incomplete homework in the same class will serve a two hour after school detention. Students will be responsible for paying \$20.00 per hour for each hour of after school detention served.

STEALING:

Stealing, the act of taking something that belongs to someone else without the knowledge of the owner by a student will NOT be tolerated at PCA. Students should be aware that, in addition to violating the Student Conduct Code, the act of stealing is in violation of state criminal laws and may result in criminal prosecution. Any person caught stealing will receive the following: First Offense- Parent conference with Head of School; repay or replace articles or amount stolen; four (4) hours of After School Detention: Second Offense- Repay or replace articles or amount stolen,-three (3) days In-School Suspension; Third Offense-subject to Expulsion.

VANDALISM/PROPERTY DAMAGE:

Vandalism, the act of willfully or maliciously damaging, defacing, or destroying property will not be tolerated at Pungo Christian Academy. This includes writing your name on desks, walls, ceilings, doors, or any other PCA property. The act of vandalism of school property or the personal property of others located on school grounds will result

in monetary restitution to the school and/or those whose property was vandalized. Any person responsible for vandalism will receive the following: Any damage to school buildings, furnishings, or equipment will be charged directly to the student involved. Students will be liable for damage or loss of school property incurred by themselves. Students have the responsibility to lock and secure their personal property. Any loss of personal property is to be reported immediately to the homeroom advisor and to the Head of School. Please see chart for range of penalties.

TOBACCO PRODUCTS/E-CIGARETTES/VAPORS/JEWELS

It is the responsibility of Pungo Christian Academy to adhere to the General Statutes of North Carolina. PCA is required to provide for the health and welfare of students under its care; therefore, it must respond through appropriate action to the practices and behaviors that are detrimental to healthful living. There will be NO TOBACCO PRODUCTS in any form used by any student at Pungo Christian Academy at any time while on the school campus or while being transported by school-provided transportation. This includes other educational or extracurricular functions in which students are participating or are under direct supervision of a school staff member. Faculty and staff are not allowed to use tobacco products on campus. Please refer to chart for range of penalties. E-Cigarettes will be punished just as tobacco products will be. Conduct off campus can be reviewed.

BULLYING:

Bullying will not be tolerated at Pungo Christian Academy. As fellow Christians, we should always strive to encourage each other and provide encouragement and praise to our fellow classmates. Any behaviors considered anything less than encouraging will be considered bullying. Bullying is considered a Level II infraction and can be punished by a disciplinary form to out of school suspension depending on the severity of the bullying. Discipline will be at the sole discretion of the Head of School. Severe cases of habitual cases of bullying will be referred to the Board of Directors.

WEAPONS

NOTICE TO ALL STUDENTS: Although our students have been trained since an early age to respect and handle knives, firearms and other weapons properly, weapons are prohibited on school grounds. In addition, any item that can be reasonably classified as a weapon is also prohibited at any school activity, function, or event before or after school hours or during any time when the student is subject to the authority of school personnel. This covers parking lots and same applies for adults as well. Please refer to chart for range of penalties. Any visitors to PCA are not to have any weapons on his/her person or in vehicles.

Knives or any type of sharp blades are NOT to be brought on school property or off school grounds if during a school function, school activity or event before, during or after school hours or during any period of time when the student is subject to the authority of school personnel. Please refer to chart for range of penalties.

DRUGS AND ALCOHOL (CONTROLLED SUBSTANCES)

Pungo Christian Academy is committed to providing the optimal educational experience and safe environment offered by caring and competent faculty and staff members for all students. In order to assist parents, the primary educator for their children, and to establish a safe, alcohol and drug-free environment, screening of all students grades seven (7) – twelve (12), for alcohol and unlawful controlled substances, is hereby adopted for the 2012-2013 academic school year and years to hence follow. The goal for Pungo Christian Academy is to educate students in an environment free from any influence of alcohol or controlled substances.

This policy is to be both proactive and punitive. It is a policy directed at student conduct, and as such, its primary aim is that of deterring teens and young adults enrolled at Pungo Christian Academy from beginning or continuing alcohol or controlled substance use and abuse and to steer them into a treatment and education program whenever appropriate. Attendance at Pungo Christian Academy is not a right, but a privilege. Certain responsibilities come with the privilege. Pungo Christian Academy holds students, parents, guardians, and any individuals having direct care of students to a high code of behavior in areas that affect the well-being and safety of all students. Accordingly, all students, grades seven (7) – twelve (12), parents, and guardians are required to consent to participation in all aspects of the policy as a condition of the student's enrollment at Pungo Christian Academy.

The use, possession, sale or purchase of any unlawful controlled substance or controlled substance is in violation of Federal Law and/or the laws of the State of North Carolina, and Pungo Christian Academy's Alcohol and Drug Policy including, but not limited to the following: Alcohol, Cocaine, Opiates, Phencyclidine (PCP), Marijuana, Steroids, Barbiturates, and Methamphetamines.

Controlled Substances are prohibited at Pungo Christian Academy or at any Pungo Christian Academy event unless a valid, proper written medical authorization previously provided to the administration is in the student's confidential cumulative file.

A refusal to submit to or attempt to falsify a test required by the policy will be deemed as a positive test and a controlled substance use violation, with the accompanying consequences as set forth in the policy. Test sampling and references about unlawful controlled substances may be referred to as "Drug" throughout this policy.

The components of our Drug policy are based on education, intervention, and responsibility.

Pungo Christian Academy shall offer, and each student shall receive educational instruction regarding the physical and psychological effects of alcohol and controlled substance use and abuse. Such instruction shall consist of classes and/or other educational presentations throughout the academic year, at such times and in such manners as the Head of School shall determine. Additionally, such education shall be available to all Pungo Christian Academy school faculty and staff members. Pungo

Christian Academy faculty and staff shall receive training in the aspects of recognition and intervention when observing or confronted with a violation of the Policy.

Any use, possession, or purchase of any alcohol substance by any Pungo Christian Academy student is a violation of this Policy. Furthermore, it is a violation of this Policy for any Pungo Christian Academy student to have any amount of alcohol in his/her body while at Pungo Christian Academy or at any Pungo Christian Academy event unless a valid properly written medical authorization previously provided to the administration, is in the student's confidential cumulative file.

Alcohol:

Random Testing

Screening for alcohol shall be conducted at Pungo Christian Academy utilizing a procedure whereby on random dates and events throughout the school year, selected by the Head of School, a number of students as determined by the Head of School, shall be selected randomly from a pool consisting of the total Pungo Christian Academy student population in grades seven (7) – twelve (12) or by some other random method chosen by the Head of School. The testing shall be conducted by collecting a breath sample for analysis utilizing an Intoxilyzer device in accordance with the manufacturer's protocol for said device. Consequently, it is possible that a student may be tested more than once a year. Conversely, it is also possible that a student may not be tested at all.

Reasonably Based Testing

A Pungo Christian Academy student present on Pungo Christian Academy school property or at a Pungo Christian Academy school event reasonably appearing to be under the influence of alcohol shall be escorted to the administrative offices or other appropriate area where the student shall provide a breath sample for analysis by an Intoxilyzer device in accordance with the manufacturer's protocol for said device. In making the determination that a student may be under the influence of alcohol, a Pungo Christian Academy faculty or staff member or other individual in the presence of a Pungo Christian Academy student may consider the student's conduct, his/her physical appearance, eye abnormalities such as; redness, glassiness, or blood-shot appearance, odor of alcohol on their body or breath, slurred speech, altered physical coordination, or any other factor that would reasonably lead to making such a determination. The student shall consent to being escorted to the administrative offices and to providing breath samples as required by the policy. The lower of two readings shall be considered the amount of blood-alcohol concentration for that individual. The Intoxilyzer printout reflecting the blood-alcohol concentration, the consent form (s) obtained for alcohol testing, and all paperwork associated with obtaining breath, hair, saliva or urine samples shall become part of the Pungo Christian Academy student's confidential cumulative file, in the event the Head of School determines a breath, hair, saliva or urine sample for alcohol testing is required.

Controlled Substances

Any use, possession, or purchase of an unlawful controlled substance or controlled substance by any Pungo Christian Academy student is a violation of the policy.

Furthermore, it is a violation of this policy for any student to have any amount of a controlled substance in his/her body while at Pungo Christian Academy or at any Pungo Christian Academy school event unless a valid, properly written medical authorization previously provided to the administration is in the student's confidential cumulative file.

Random Testing

Screening for the use of any unlawful controlled substance or controlled substance shall be conducted at Pungo Christian Academy utilizing a procedure whereby on random dates and events throughout the school year a number of students, as determined by the Head of School, shall be selected randomly from a pool consisting of the total student population, grades seven (7) – twelve (12), of Pungo Christian Academy. The random method for selection is at the discretion of the Head of School. Consequently, it is possible that a student may be tested more than once a year. Conversely, it is also possible that a student may not be tested at all.

Reasonably Based Testing

When it reasonably appears to a Pungo Christian Academy faculty or staff member, (or other individual that is in the presence of a Pungo Christian Academy student), who is present on Pungo Christian Academy property or at a Pungo Christian Academy school event while appearing to have a controlled substance in his/her body, the student suspected to be under the influence of a controlled substance shall consent to being escorted to the administrative offices or other appropriate place where the student shall provide a saliva, hair or urine sample for testing by the designated testing organization, in the event the Head of School determines a sample is required. In making the determination that a student may be under the influence of a controlled substance, a Pungo Christian Academy faculty or staff member or other individual in the presence of the student suspected to be under the influence of a controlled substance may consider the student's conduct, his/her physical appearance, eye abnormalities such as; redness, glassiness, or blood-shot appearance, odor of body or breath, slurred speech, altered physical coordination, or any other factor that would reasonably lead to making such a determination. The consent form obtained for drug testing and all paperwork associated with obtaining hair, saliva, or urine samples shall become part of the student's confidential cumulative file in the event the Head of School determines a sample for drug testing is required.

Pungo Christian Academy shall employ the services of an independent organization qualified to conduct such drug testing for the purpose of coordinating and analyzing suitable hair, saliva or urine samples. Breath, hair, saliva or urine samples may be obtained at Pungo Christian Academy; however, the right to have off site sampling obtained is reserved and is at the discretion of the Head of School.

Notification of Test Results

Alcohol – The Head of School shall provide the student and his/her parent(s) or guardian(s) written notification of a positive result immediately. The Intoxilyzer printout of all test results shall be maintained in the student's confidential cumulative file.

Controlled Substances – The Testing Organization shall notify the Head of School of each test result. When results are received, the student and his/her parent(s) or guardian(s) will receive written notification of positive test results within three (3) days after obtaining the results. The notification shall include the name, address, and telephone number of the Testing Organization that handled the sample.

Responsibility

First Violation - Upon a first violation of the policy, the student and his/her parents or guardians shall be required to meet with the Head of School and/or Board of Directors to determine an appropriate course of action. The student will be required to receive an immediate assessment by a substance abuse professional approved by the Head of School. The student and his/her parents or guardians must agree to follow the plan of treatment established by the substance abuse professional and must agree to provide the school with the initial assessment and information regarding the student's plan of treatment. The student shall be subject to a ten (10) day suspension, at the expense of the parents or guardians, and will be prohibited from participating in extra-curricular activities for the remainder of the school year.

The substance abuse professional shall be required to advise the school if the student fails to follow the plan of treatment, in which case the student will be expelled from Pungo Christian Academy. Upon completion of necessary treatment, the student shall submit to follow-up testing which shall consist of mandatory, monthly, testing for a period of three (3) months. If a student tests positive during this period, he/she will be expelled from Pungo Christian Academy.

All costs associated with assessment, treatment, and follow-up testing shall be borne by the student and/or the student's parents or guardians.

Second Violation - Upon a second violation of the Policy, the student will be expelled from Pungo Christian Academy.

Confidentiality – Pungo Christian Academy will make reasonable attempts to keep information regarding alcohol and drug tests, and any resulting disciplinary actions, confidential.

Appeal of Alcohol or Controlled Substance Tests Results

If the student, (or his/her parents or guardians), is of the opinion the alcohol or drug test results are erroneous, the student's parents or guardians must notify the Head of School in writing. Such notification shall also set forth whether the student's parents or guardians intend to request that a second test sample be obtained. When the student's

parents or guardians request a second test sample be obtained, such request shall be made by the

parents or guardians directly to the Testing Organization. The second test must be taken within three (3) days of the student's receipt of the written notification of the initial positive test sample result. The cost for the second test sample shall be borne by the student and/or his/her parents or guardians. If the second test sample results vary from the first test sample results, the Head of School and the student from whom the sample was taken and his/her parents or guardians will discuss what further action shall be taken. The date the student and/or his/her parents or guardians receive written notice shall be counted for purpose of calculating the three (3)-day period; however, Saturdays, Sundays, and Holidays shall not be counted. Test samples will be obtained on the next business day. For example; if the notice is received on a Thursday or Friday and the repeat test sample is not obtained on Friday, Monday will be considered the third (3rd) and final day to have the repeat test sample obtained.

Retention of Records

Documentation pertaining to each student's random screening for drug usage will not be made part of the student's permanent record. All documentation generated in connection with the Policy shall be kept in a separate confidential file.

Sale, Distribution, or Possession

Any student caught selling, distributing, or in possession of alcohol, unlawful controlled substances, or controlled substances on Pungo Christian Academy property or at any Pungo Christian Academy event will be immediately expelled from Pungo Christian Academy.

ELECTRONIC DEVICES

Electronic devices are only to be used during school hours for academic purposes. All use should be supervised by a faculty member. If found being used inappropriately during school hours, the electronic device will be confiscated. This applies to grades Pre-K through 12. Elementary students must keep all electronic devices in backpack. They are not to play with them during recess or free time. Electronic devices are to be off during break and lunch and may only be used with the permission of a faculty or staff member. Students are not to be on any social sites or inappropriate sites during school hours. All electronic devices will be confiscated and given back to the parent if being used for any reason other than academic. Please refer to chart for range of penalties.

School owned computers/laptops will remain in the computer lab. They will no longer be able to be checked out by a student. All students in grades 6-12 will be responsible for having an electronic device for school use during the school day for academic purposes only.

DISTRACTIONS

Toys such as fidget spinners cannot be used at PCA. All toys, causing classroom distractions, will be confiscated and taken to the office.

USE OF TELEPHONE

Students will not be allowed to make general calls from the office during school hours. Emergency calls can be made from the secretary's desk only. Students will not be called from classes to answer a call unless it is an emergency. Messages will be taken by the secretary and given to the student during break or lunch. Please do not call the office to talk to students during the school day unless it is an emergency.

CELL PHONE POLICY

Cell phones must be off and turned into the office during the school day or left in private vehicles. If any cell phone is seen by any faculty or staff member (on, off, silent, or vibrate) it will be confiscated. This policy begins when a student steps into the building and is in place until after the 3:00 pm bell rings. The teacher, who confiscated the cell phone, will provide the office with a discipline form including the details of the phone confiscation. Parents will be notified the cell phone has been confiscated. The following procedures will be followed for cell phone return.

First Offense – Phone will be returned to a parent once the \$50.00 fine has been paid. A discipline form will be placed in student's file.

Second Offense – Phone will be returned to a parent once the \$50.00 fine has been paid and the student has served two hours of after school detention and has paid the supervising staff member \$40.00. A discipline form will be placed in student's file.

Third Offense – Phone will be taken and held until next scheduled Board meeting and student will be referred to Board of Directors. A discipline form will be placed in student's file.

School officials reserve the right to review the history of the cell phone use after confiscation to verify use during the school day.

SEARCH AND SEIZURE

Authorized school personnel may search a student, student lockers, (including desks and other storage areas provided for student use on school premises) or student automobiles and may seize any illegal, unauthorized, or contraband materials discovered in the search to be turned over to the proper legal authorities. On the other hand, if an item is in plain view and school personnel asks the student to hand it over, this is not a search. Since the student has no reasonable expectation of privacy in this situation, having exposed the item to public view, the school personnel may legitimately demand that it be turned over.

POLICY FOR TARDINESS TO HOMEROOM AND/OR CLASS

Pungo Christian Academy requires punctuality to school and to classes as it recognizes being on time is an important habit. All students are expected to be in their classrooms with their books/materials and ready to begin class on schedule. It is not appropriate for students to ask to leave the room after the class begins to get books and materials. Bathroom breaks should only be allowed in emergency situations.

MIDDLE SCHOOL AND HIGH SCHOOL PROCEDURE:

1. Students who come to school late **MUST** report to the office.
2. The classroom teacher will maintain a record of tardies for each course or class. Every three (3) tardies will be recorded as a tardy/absence (TA). These absences will count in the attendance requirement of 170 out of 180 days to get credit for the class/course.
3. Whenever a student exceeds the ten-day limit for absences, the student has failed the course.
4. Students who receive three unexcused tardies in homeroom will result in one hour of after school detention. Parents of the student are responsible for the \$20.00 per hour after school detention fee.
5. Three unexcused tardies in a class will result in a discipline form and lunch detention. Habitual unexcused tardies will lead to increased hours of after school detention and loss of activities.
6. Excused tardies will only be given for: illness or injury, quarantine, death in the immediate family, medical or dental appointment, court and administrative procedures, religious observances, educational opportunity, and work.

ELEMENTARY SCHOOL PROCEDURE:

Lower school teachers will begin instruction at the scheduled time in the morning. If an elementary school student is tardy, it delays the instruction for all students. Tardies, therefore, will be monitored. Students with excessive tardies will be referred to the Head of School. If a student is tardy, the parent will be notified of any work that was missed; and the parent will be responsible to ensure that the work is made up by the student. Excessive tardies are strongly discouraged because (1) it is disrespectful to the teachers, (2) it does not help teach students good habits, and (3) it can impact learning and academic progress over time.

DISCIPLINE

A note from a parent does not automatically make a tardy excused. The decision to excuse the reason for tardiness will be made by the Head of School. It is necessary for a student to be in class for at least half of the period to receive credit for being present. If a student is present in the class less than half the period, the student will be counted absent for that class. Students with more than 3 tardies per six weeks will miss recess and/or enrichment time as deemed necessary by teacher and administration.

ATTENDANCE

Pungo Christian Academy encourages regular attendance. Research indicates the amount of learning is correlated to the amount of time spent “on task” by students. Students are expected to be in school except during times of illness or family emergencies. Early dismissal of a student for reasons not related to school activities is **discouraged** since it will result in a class absence. Special school-approved field trips and activities, including sporting events, are designated in the management system as a SCHOOL EVENT but are not considered part of the 170 days. Seniors and juniors are allowed three days to visit colleges. These days do not count in the 170 days of required school attendance and will be designated as COLLEGE DAY on the attendance software.

Students have the responsibility to obtain assignments from the teacher, a classmate, or the website ahead of time, when they are absent. Students and parents are ultimately responsible to ensure schoolwork is completed on-time and deficiencies are resolved. If schoolwork is not made up, the grade will be penalized. Teachers are responsible to monitor and record absences. The teacher should make contact with the parent in cases of excessive absences, defined as more than three per grading period or six total, and also make the Head of School aware of the situation.

Upon a student’s return to school after being absent, the student must obtain an “Admit to Class” slip from the office upon presentation of a written excuse from his/her parent or legal guardian. This should be done the morning of the student’s return to school. The “Admit” slip must be presented to the student’s teachers each class period the student was absent. Each teacher will initial the “Admit” slip. The student’s last teacher will return the “Admit” slip to the office. If a written excuse is not received upon return to school, an “unexcused” absence will be issued with no exception. When absent, it is the student’s responsibility to have his/her parents attest to the absence in writing. **An unexcused absence will be recorded if a written parental reason is not presented within 24 hours of the student’s return to school.**

Any absence that can be predetermined for any part of the day, such as dental or medical appointments, must be cleared in advance through the Head of School's office and a pre-excused form must be completed. **Pre-arranged absences must be requested at least 72 (seventy-two) hours in advance.** Parents may request a pre-arranged absence via email or written note to the office. All make-up work must be completed within 72 hours of the student returning to school. Parents are encouraged to email teachers for work that will be missed.

Athletes – It is the student's responsibility to turn in work before they leave for games and it is their responsibility to get any work for the class they are missing.

For clarification of what constitutes an excused absence, the state recognizes the following: illness or injury, quarantine, death in the immediate family, medical or dental appointment, court and administrative procedures, religious observances, educational opportunity (**Head of School's prior approval required**), and work (**Head of School's prior approval required**). Written excuses need to explain the reason for absence. Students in grades K-12 will be allowed two unexcused absences (regardless of time of day) per year. Work made up from these absences will be accepted and no zeroes given. Any additional absences deemed unexcused by the state will result in zeroes. A note from parents must be given to the office within 24 hours of the absence to change an unexcused absence to an excused absence. Upon absence being changed to excused, zeroes will be removed.

The academic day for students is from 8:50 a.m. to 3:00 p.m. Students are expected to be at school and in class during that time. No student is to leave school or not attend class without "checking out" through the office. In order to "check out", a written notice from a parent is required. Students will not be able to use the phone unless deemed an emergency by school administration.

Upon arrival at school, students may go to their homeroom with teacher's permission and if the teacher is present. Students may also go to the cafeteria and sit quietly and visit or study if arriving prior to 8:30 am. Students in Pre-K through 5th grade must go to "Before School" prior to 8:30 a.m.

In the case of illness or any other need to leave campus, students are first to report to the office.

Students in grades 6-12, by NC State Law, cannot be absent more than ten (10) times from any one course. Students who miss one course more than ten (10) times cannot pass that course without special permission from the board.

ELEMENTARY SCHOOL PROCEDURES

Elementary students cannot be absent more than 20 days. Students with more than 20 absences will have to prove (extenuating) circumstances to the Board of Directors **in**

order for the student to be promoted to the next grade. Students in grades K-5 are encouraged to attend school regularly. Absences will be monitored and noted on the report card. Students in grades K-5 who have permission to sign out and leave school early will be considered absent if they miss more than 50% of the school day (more than 3.0 hours).

MIDDLE AND HIGH SCHOOL PROCEDURES

Students in grades 6-12 who have permission to sign out and leave a class early will be considered absent if they miss more than 50% of the class time.

NOTIFICATION BY PARENT FOR ABSENCES

1. When an absence is anticipated, the parent should make the school office aware of it. The student should tell the teachers and get assignments.
2. If the absence is not anticipated, the parent is asked to notify the school before 9:00 a.m. If the school is not notified, they may call the parent to confirm an absence.
3. If the school was not notified before or on the day of the absence, it is required the student bring a note from the parent specifying the reason for the absence when he returns to campus. Absences will be designated on the grading software.

MEDICALLY-RELATED EXTENDED ABSENCES

When medical conditions force extended or periodical absences, it is recommended the parent call the school officials and apprise them of the situation and work out a plan to get assignments and make-up tests.

To prevent transmission of contagious diseases, a child will not be permitted to attend school if it has been less than 24 hours since any of the following symptoms: (1) fever of 100.0 or above, (2) vomiting, or (3) diarrhea. If the child does come to school without having the necessary time after the symptoms, the parent will be asked to return to pick up the student.

Students leaving school with ailments such as headaches, toothaches, physical injuries, or food/environmental allergies may return to school the next day at their physician's or parent's discretion.

SKIPPING SCHOOL, CUTTING CLASSES, UNAUTHORIZED LEAVING SCHOOL

Leaving campus without permission is considered the same as skipping school. Once a student is on the school campus, he/she must not leave until he/she has signed out. This includes the time between arriving on campus in the morning and the time the school day begins. In order to sign out of school, the student must have a written excuse from his/her parent. No student who attends school during any portion of the school day shall leave the school grounds prior to the end of the school day without good reason sufficient to constitute an excused absence.

Any student who leaves the school campus without permission will receive a minimum of one day of In-School Suspension, at the cost of the parents, and loss of school related activities for three (3) days. The cost to parents will be \$50.00 per day.

No student shall fail or refuse to attend an assigned class, including assigned field trips, without good reason sufficient to constitute an excused absence. If a class field trip provides transportation and a student does not attend the field trip, it is considered an unexcused absence.

PREARRANGED ABSENCES FOR OTHER THAN ILLNESS

It is recognized that, on occasion, students and parents may need to make a request for students to be absent from school obligations for reasons other than medical appointments, illness, or emergency reasons. Most of those absences are known in advance. Such absence requests are to be made by the parent to the Head of School via email or written request. A student will be issued a prearranged absence form to be completed by his/her teachers so the student and parent will know exactly what schoolwork will be missed. **Missed work is due upon returning to school.** It is understood that generally in such absences the student is responsible for making up work missed without the obligatory assistance of a faculty member or instructor. **All prearranged absences must be submitted in writing to the Head of School at least 72 hours in advance via email or a note to the office.**

Assignments missed may be turned in for credit either prior to or immediately following the absence. If a test is scheduled the day of a student's return, the student must take the test. Make-up test missed while absent will be administered at the convenience of the teacher, but within a 72-hour period. It is imperative, therefore, that careful attention be given to the request for such absences in order to ascertain exactly what work the student can afford to miss and the student's academic status in particular classes.

STUDENT DRIVING

Driving a vehicle on campus is a privilege, not a right. Driving on campus requires the realization that a highly congested traffic area is in use daily and hourly by people, particularly small children. This requires common sense, courtesy, caution, patience, and alertness in driving. Student drivers who ignore these factors in their driving on campus at any time are subject to serious disciplinary action. Students are to enter and leave the campus according to the correct manner and use the correct driveway (enter by the west and exit by the east). Students must use the concrete driveway. Students may not drive behind the school. Students must leave the parking area once they park their cars and are not to return to the parking area without permission from the office until school is dismissed for the day. Students who have the privilege of driving cars to and from school are expected to comply with the following reasonable rules which are for the protection of the entire student body:

1. Cars are to be parked in designated student parking lot.
2. Licensed cars/trucks must remain in normal driving areas, not on playgrounds or athletic fields.

3. Any vehicle driven on campus must be driven by a person who has a valid driver's license or learner's permit.
4. 4-wheelers or golf carts are NOT allowed on Pungo Christian Academy property at any time unless driven by a licensed driver. They must remain on driveways or in the parking lot.
5. No reckless or negligent driving, including but not limited to speeding, "scratching off", driving with students not wearing seat belts, driving with students sitting outside the car, is allowed on campus. "Hot-rodding" leaving/entering school driveways before or after school is not allowed.
6. Students are not to go to the parking area or cars unless permission is granted by administration. Students need to bring all pertinent items with them when they arrive at school: computers, change in clothes, uniforms, etc. Permission will be granted only for an emergency.
7. Students are not to loiter in parked cars before or after school. Upon arriving at school, all student drivers and passengers MUST leave the parking areas and enter the school building.
8. Cars are not to be left on campus for an extended time or overnight.
9. Students taking part in activities after school are not to move cars until the activity is over and they have left school.
10. Students are not to use cars for errands during school time unless permission is granted by the administration.

STUDENT PARKING

All student vehicles are to be parked in the front parking lot. The front of the school is reserved for visitors, faculty, and staff parking. **No weapons can be left in student's vehicle while on campus.**

Students and/or passengers of student's cars are not to be in the parking lot during school hours, including time between classes, break or lunch periods.

The school retains authority to conduct routine patrols of student parking lots and inspections of the exteriors of student automobiles on school property, including a visual inspection of the interior of any automobile through the window of the automobile. The interiors of student vehicles may be searched whenever school personnel have reasonable suspicion to believe illegal or unauthorized materials are contained inside.

RULES FOR OVERNIGHT SCHOOL TRIPS

Student must maintain a 77 average each six weeks. A student may not fail more than one subject per six weeks. Student must have a signed medical form and release form by parent. Each room will have an adult chaperone or adjoining room. Students who break the PCA Code of Conduct on overnight trips may be sent home at the chaperone's discretion but at the expense of the parents.

SOCIAL MEDIA

Board acknowledges that school employees, students, and parents may engage in the use of social media during their personal time. School employees who use social media for personal purposes must be mindful that they are responsible for their public conduct even

when not acting in their capacities as school employees. All school employees, students and parents shall comply with the requirements of this policy when using electronic social media for personal purposes.

A. DEFINITIONS

- Social Media- For purpose of this policy, “social media” refers to the various technology tools that enable people to communicate easily over the Internet to share information and resources. It includes, but not limited to: personal websites, blogs, wikis, social networking sites, online forums, virtual worlds, Video sharing websites, and any other Internet-based applications which allow the exchange of user-generated content. For purposes of this policy, it also includes any form of instant or direct messaging available through such applications. Examples of social media include, but are not limited to Web2.0 tools, Facebook, Twitter, LinkedIn, Flickr, YouTube, Instagram, Google+, and social media components of learning management systems such as Moodle or Edmodo.
- School-Controlled Social Media is social media networks, tools, or activities that are under the direct control and management of Pungo Christian Academy and that create an archived audit trail.
- Personal Social Media means any social media networks, tools or activities that are not school-controlled.

B. SOCIAL MEDIA COMMUNICATIONS INVOLVING STUDENTS

Pungo Christian Academy employees are always to maintain professional relationships with students. The electronic media for communicating with students and parents is an extension of the employee’s workplace responsibilities. Accordingly, the Board expects employees to use professional judgement when using social media or other electronic communications and to comply with the following.

- All electronic communications with students and parents who are currently enrolled in the school must be school-related and within the scope of the employee’s professional responsibilities.
- School employees may use only school-controlled social media to communicate directly with current students about school-related matters.
- Employees are prohibited from knowingly communicating with current students through personal social media without parent permission. As Internet posting on a personal social media website intended for a particular student will be considered a form of direct communication with that student in violation of this policy unless the parent has consented to the communication. However, an employee may communicate with a student using personal social media to the extent the employee and student have a family relationship or other type of appropriate relationship which originated outside of the school setting. For example, an employee may have relationship with a niece or nephew, a student who is the child of an

adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, sport or religious organization.

- An employee seeking to utilize and/or establish a non-school-controlled social media website for instructional or other school-related purposes must have prior written approval from the Head of School. The employee shall ensure that the website does not include or link the employee's personal social media footprint. The site must be used for school-related purposes only.

C. EMPLOYEE PERSONAL USE OF SOCIAL MEDIA

The Board respects the right of employees to use social media as a medium of self-expression on their personal time. However, employees are responsible for their public conduct even when they are not performing their job duties as employees of Pungo Christian Academy. Employees will be held to the same professional standards in their public use of social media and other electronic communications as they are for any public conduct. If any employee's use of social media interferes with the employee's ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment.

Employees are responsible for the content on their social media sites, including content added by the employee, the employee's "friends", or members of the public who can access the employee's site, and for Web links on the employee's site. Employees shall take reasonable precautions, such as using available security settings, to manage students' access to the employee's personal information on social media websites and to prevent student from accessing materials that are not age appropriate.

D. EMPLOYEE, STUDENT, PARENT POSTING TO SOCIAL MEDIA SITES

Employees, students and parents who use social media for personal purposes must be aware that the content they post may be viewed by anyone, including students, parents and community members. Employees shall observe the following principles with communication through social media.

- Employees, students and parents shall not post confidential information about students, employees, or school system business.
- Employees shall not accept current students as "friends" or "followers" or otherwise connect with students on personal social media sites without parental permission, unless the employee and student have a family relationship or other type of appropriate relationship which originated outside of the school setting.
- Employees and parents shall not knowingly allow students access to their personal social media sites that discuss or portray sex, nudity, alcohol, or

drug use or other behaviors associated with the employee or parent's private lives that would be inappropriate to discuss with a student at school.

- Employees may not knowingly grant students access to any portions of their personal social media sites that are not accessible to the general public without parental permission, unless the employee and student have a family relationship or other type of appropriate relationship which originated outside of the school setting.
- Employees and parents shall be professional in all Internet postings related to or referencing Pungo Christian Academy, students, other parents, and other employees.
- Employees, students, and parents shall not use profane, pornographic, obscene, indecent, lewd, vulgar, or sexually offensive language, pictures, or graphics or other communication that could reasonably be anticipated to cause a substantial disruption to Pungo Christian Academy.
- Employees shall not use Pungo Christian Academy or Pungo Christian Academy logo or any copyrighted material of Pungo Christian Academy on a personal social media site without express, written consent from the Board of Directors.
- Employees, students, and parents shall not post identifiable images of a student or other students and/or their family on a personal social media site without permission from the student and/or the student's parent or legal guardian. Employees may post such images on Pungo Christian Academy controlled social media site only with prior permission of the Head of School or designee.
- Employees, students, and parents shall not use Internet postings to libel or defame the Board, individual Board members, students, or other Pungo Christian Academy employees.
- Employees, students, and parents shall not use Internet postings to harass, bully, or intimidate students or other employees.
- Employees shall not post content that negatively impact their ability to perform their jobs.
- Employees shall not use Internet posting to engage in any other conduct that violates Board policies, administrative procedures, or state or federal laws.

E. CONSEQUENCES

School personnel shall monitor online activities of employees who access the Internet using Pungo Christian Academy technological resources. Additionally, the Head of School or designee may periodically conduct public Internet searches and/or inquiries to determine if an employee, student, or student's parent has engaged in conduct that violates this policy. Any employee that has been found by the Head of School to have violated this policy may be subject to disciplinary action, up to and including dismissal. Any student or student's parent who is

found in violation of this policy may be subject to disciplinary action up to and including expulsion from Pungo Christian Academy.

POLICY FOR SOLICITORS:

No one is allowed on the school grounds or in the school building to solicit or to request signatures for a petition unless authorized by the Head of School. No student may sell any items on campus.

POLICY FOR CAMPUS VISITORS:

All visitors to the school will report to the office on arrival. Visitors that go to classrooms should be approved by the administration and should register in the office. School personnel will assist a parent if he/she is picking up a student or with other situations.

MEDICAL CARE AND INTERVENTION OF STUDENTS:

You may come to school and give the medication to your child at the appropriate time(s). You may request school personnel to administer medication to students in K-12th grades; however, you must comply with the following:

- a. The school must have documentation on file signed by the parent.
- b. Prescription medicines must be brought to school in a pharmacy-labeled bottle which contains instructions on how and when the medication is to be given.
- c. Over-the-counter drugs must be received in the original container and will be administered according to the doctor's written instructions.

CLASS INVITATIONS:

Students in grades Pre-K through twelfth who distribute invitations at school for a party that will be given in the home should ensure that all students in the class are invited. Otherwise, arrangements need to be made to mail invitations or distribute them at some other location.

DRESS AND GROOMING:

It is the policy of Pungo Christian Academy that administration, faculty, and students support the specified dress code that will be conducive to the learning atmosphere in the school and development of character in our students. The school administration and faculty are the sole judges of the acceptability of students' attire and/or grooming at school, including athletic wear and at any school function. Often it is a difficult judgment call because the same article of clothing on one child may be less acceptable than on another child for different reasons. Generally, a good rule of thumb is not to wear anything you might question whether it will comply with the Pungo Christian Academy Dress Code.

Therefore, students are to adhere to the following dress code criteria:

- a. Students are always to come to school clean and neat.
- b. Students are always to wear proper shoes. No bare feet allowed.

Accidents: Report any accidents immediately to a faculty or staff member who can assist with the problem. In the event no adult is present at the scene, please notify the school office immediately.

Fire: In case of fire, the alarm will sound. Students and adults should exit and assemble in accordance with instructions posted in each classroom. All personnel should remain in the area designated until instructions are given by the Head of School. The “all clear” signal will be given by the ringing of the normal bell only after building areas have been checked. Because of the seriousness of this situation, orderly conduct is necessary. A monthly fire drill will take place during the school year.

Responsibilities:

1. Teachers must take their laptops with them. If possible, teachers will see that all windows and doors in their classrooms are closed and lights are turned off when leaving the room.

2. Each class will exit in a single file line, walking close to the wall in an orderly, rapid fashion without talking.

4. The secretary will close all storage rooms and secure all records.
5. The Head of School will make sure all occupants evacuate at least 200-300 feet from the building and are out of the way of the fire department.
6. When students are outside of the building, teachers will ensure all students are accounted for and if someone is missing, notify the Head of School. The Head of School will be responsible for organizing a search and notifying the on-scene fire personnel immediately.

Tornado: The school will be alerted if a tornado is sighted anywhere in the area. The school office will notify key personnel, to alert them, even though evacuation procedures may not be necessary at the time. Classes and regular activities (except outdoor activities) are to continue until an evacuation order is given. Should evacuation become necessary, close doors, open windows, turn out lights, and take cover in the area designated.

Inclement Weather: In the case of sleet, snow or hurricane predictions, PCA families will receive notification through school messenger, email and Facebook if school will be delayed or closed. Please DO NOT call the school or school officials. Parents may also receive information in this manner should inclement weather begin after opening of the school day. POLICY FOR GRADING

A teacher has the responsibility for developing a fair and consistent procedure for grading students. Teachers are responsible for posting their grading system and explaining it to students and parents. Teachers are to update grades, at a minimum, of once per week on Sycamore. Teachers will base classroom instruction and assessment on a standard course of study and/or set of objectives and will differentiate to provide learning experiences for the range and the ability of the students they teach. Grading will reflect achievement of competencies. By North Carolina law, the Head of School has the final authority to grade and classify students. If a situation with a student warrants review, the Head of School will meet with the teacher to discuss grade average and any necessary changes.

- Students have the responsibility to prepare for quizzes and tests and understand that low grades will impact course averages. They should be knowledgeable of the grading procedure for the class and the formatting of the test. Preparation for a quiz or test may differ depending on how the questions will be stated.
- It is the student’s responsibility to schedule with a teacher an appropriate time to make up any quizzes and/or tests missed as a result of an excused absence. All tests should be made up within 72 hours of absence.
